Product description

FULL BODIED ACRYLIC PAINT SET FOR ALL OF YOUR ARTS AND CRAFTS PROJECTS

Whether you are creating a full-size painting on canvas, or decorating your house with painted craft projects, these are the paints for you! This 24 color set of high quality paints will bring out the artist in you, inspiring you with colors and textures that can turn all of your projects into works of art that you will display proudly to your friends and family. Use these paints with canvas, paper, fabric, rocks, wood and more!

Simply squeeze the colors you need from the professional aluminum tubes onto a plastic tray, and mix and brush them onto your project. The paints have a buttery consistency. You can apply them thick (if you want to!) so your project will retain brush strokes and peaks, giving them that professional artist look.

HOW DO OUR PAINTS COMPARE?

Full-bodied: Dries to a brilliant, flexible finish that resists cracking and peeling

Heavily pigmented: Vivid coverage on most surfaces

Safe for home and educational use: Conforms with ASTM D-4236, certified by Info. Tox. International, Inc.

Superior performance: Waterproof and lightfast colors that resist fading

Mixable and Tintable: Paints mix well with each other, so you can mix your own colors and tints, and easily lighten any color.
